# SDS Gunshot Detection Integrations Matrix

We partner with the security industry's leading technologies to provide our customers with integrated, end-to-end solutions that empower building occupants and first responders by providing them critical information to help save lives in an active shooter incident.

SDS

Shooter Detection Systems™
AN ALARM.COM COMPANY

SDS Indoor Gunshot Detection System Third-Party Integrations

Our certified integrations further expand the incident awareness during gun violence events by automating the security assets you've already invested in.

SHOT FIRED
Acoustic and infrared muzzle flash detected

ALERT SENT
< 1/2 second

SHOT LOCATION MAPPED
- SMS Sent
- 911 Dispatched

SEAMLESS INTEGRATION
with other security systems

SDS Integrations

Product	Manufacturer	Key Features	GUNSHOT EVENTS-TO-ACTIONS								SDS Part Number
			VIDEO	ACCESS CONTROL	NOTIFY	RAISE ALARMS	VOICE/ PA SYSTEMS	MAPPING/ GEO-LOCATION	LIGHTS/ STROBES	PUBLIC SAFETY SYSTEMS	
Alarm.com for Business	Alarm.com	Pre-configured gunshot sensor for plug-and-play into the Alarm.com ecosystem	X		X	X					Contact Sales
Alertus	Alertus Technologies	Mass Notification over a wide array of methods, including SMS, Desktop, Phone, Digital Signage, Audio Messages, Alert Beacons and more.	X	X	X	X	X		X	X (Fire Alarms)	GRDN-SWINT-ALERTUS
911Inform	911Inform	Instant bi-directional comms between customer and law enforcement.	X	X	X	X	X	X	X	X	GRDN-SWINT-911INFORM
Avigilon Control Center (ACC)	Avigilon/Motorola Solutions	Automated live video stream; incident recording, Gunshot alarms (via Avigilon POS)	X	X	X	X				X	GRDN-SWINT-AVIGILON-CC

SDS

SDS Gunshot Detection Diagram
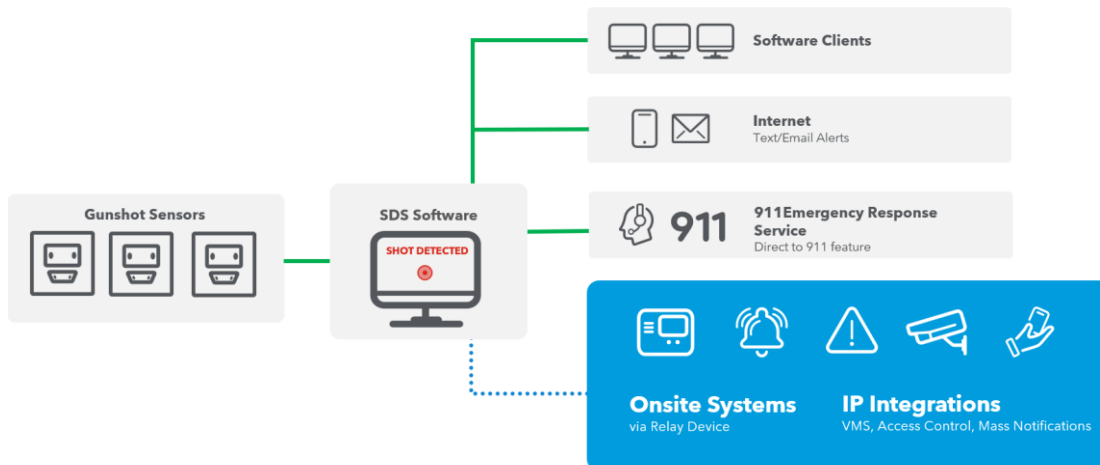

Our library of certified third-party integrations enable us to automatically trigger video, mass notification, access control, onsite alarms, emergency lighting and more in reaction to shots detected by the SDS Indoor Gunshot Detection System.

SDS integrations are developed in collaboration with our partners and supported by both parties, with integration guides and support available to our network of Authorized Dealers. Contact SDS for more information on these or any other gunshot detection integrations you are interested in.
